

MONTHLY MUSIC MEMBERSHIP

a missionary program of Faith Music Missions

Singing and music are vital parts of the Word of God.

And he hath put a NEW song in my mouth, even praise unto our God: many shall see it and fear, and shall trust in the Lord.

– Psalm 40:3

For over 30 years, Faith Music Missions has endeavored to produce first-class recordings of conservative, traditional gospel music. Since God is interested in a new song, it seems to me that He is interested in the kind of music His children listen to. Christian people should listen to Christian music.

Now you have the opportunity to bring heart-warming uplifting music to your church and home through our Monthly Music Membership. Let me take just a few moments and introduce you to this new program that pastors, churches and individuals can be a part of to help promote the right kind of music for the Christian home.

Each month, Faith Music Missions will send a music CD to the individuals or churches that support us through the Monthly Music Membership. Here's how it works:

Individuals can join the Monthly Music Membership by choosing one of two options:

1. **Individual SILVER** - For your support of \$10 per month plus \$3.95 shipping, one copy of the monthly CD will be sent to you automatically.
2. **Individual GOLD** - For your support of \$20 per month, TWO copies of the monthly CD will be sent to you automatically, and you will receive **FREE Shipping!** One copy is for you, and the additional copy is for you to give to someone else. Individuals on the GOLD plan help us get good godly Christian music to others.

Churches and pastors across the nation are partnering with us to ensure that their church members have godly music available.

A church can join the Monthly Music Membership by choosing one of two options:

1. **The Church 50** - For your support of \$50 per month plus \$6.95 shipping, 5 copies of the monthly CD will be sent to you automatically.
2. **The Church 100** - For your support of \$100 per month, 10 copies of the monthly CD will be sent to you automatically, and you will receive **FREE shipping!**

Each church may decide the best way to distribute the CDs each month, but the idea is to keep a steady stream of good music going to your church members on a regular basis. You may want to place the CDs in your church bookstore or use them to start a bookstore. You may want to simply set them on a table in the church foyer and resell them. You may want to encourage families to take this on as a monthly gift through your church to support the cause of conservative Christian music. You may want to use the CDs as gifts or promotions in any way you see fit. These are just a few suggestions, but let's get the music out to God's people. This program doesn't have to cost you anything. As a matter of fact, it PAYS!!

Christian people are going to listen to music. It is my personal belief that the right kind of music must be produced in a professional manner, and the quality of the recordings must be first class in order to keep people listening again and again. Therefore, a ministry like Faith Music Missions needs your support. Here are a few reasons why:

1. For the **Production** of the right kind of music
Quality always comes at a higher price to produce, but the right music is worth it.
2. For the **Preservation** of good quality Christian music.
 - Capitalizing on the medium of music to communicate the Gospel
 - Music that ministers to the heart
 - Music that can be enjoyed by the common man
 - Holding the banner high for conservative Christian music
 - Producing music that avoids the extremes. It is neither Bach nor rock.
3. For the **Propagation** of the right kind of music.
We must get good music in the hands of people.
4. For the **Partnership** associated with it.
We can't do it alone. Will you help us?

Frequently Asked Questions

What Is the Monthly Membership Club?

This program is intended to enable both churches and individuals to receive the best that Faith Music Missions has to offer on a monthly basis. At the beginning of each month, we will send you a selected CD at a deeply discounted rate. We offer four different monthly support plans to choose from, each with a different quantity of CDs.

Where Does the Money Go?

The monthly support received goes directly to ministries of Faith Music Missions and our radio ministry: Faith Broadcasting. These funds will help us to continue to record conservative, family-orientated Christian music and to help spread Christ-honoring music over the air waves.

May I Choose the CDs That Are Shipped to Me?

The staff at Faith Music Missions work exhaustively to bring you the best that we have to offer in each CD we ship. We have a four-year membership schedule in place including a mix of classic Faith Music recordings and brand new projects. During the course of this program, you may receive a project that you already have or one that isn't quite your taste. In these cases, we recommend giving this good gospel music to someone who may be blessed by it.

May I Cancel My Membership?

There is no set membership time frame for this program. You may cancel at any time. If you do decide to cancel, we require a three-month waiting period before you may rejoin. Also, if you decide to return a CD, we will issue you a refund and consider your membership cancelled.

Do I Have to Use a Credit Card?

In order to keep the costs of this membership low, we require a major credit or debit card to be on file. This ensures a continuous supply of music to your doorstep without any delays. Churches may pay by check for their membership if they choose.

May an Individual Select a Church Plan?

Sure. As an individual, if you'd like to receive more than the standard quantities, we'd be happy for you to select one of the church plans for your use.

May I Resell the CDs I Receive?

Of course! We recommend this option if you are a church with a bookstore or if you purchase CDs for a group. You can help further the work of this music ministry **and** put great, Christ-honoring music at the fingertips of your congregation by exercising this option.

Will I Receive Multiple Copies of the Same CD?

For the support plans with multiple CDs, you will receive the corresponding quantity of the same CD in any given month. This will be a different CD every month.
